MEMORANDUM FOR: Exeuctive Director

SUBJECT: Emergency Planning

1. There is forwarded herewith a cover memorandum for the draft National Security Action Memorandum to Mr. Bundy from the Director as requested in the meeting of 4 April.

2. Two considerations with regard to the draft NSAM are noted.

(a) The wording of paragraph 1 would be more definitive by substitution of the word "memorandum" for the word "paper" in the first line.

(b) Review of the Executive Orders issued by the President on February 26, 1963 with regard to the assignment of emergency preparedness functions to executive heads of departments and agencies does not indicate a need for change in the Committee proposal for use of a NSAM. In context an Executive Order would provide no additional benefit but rather would require normally that no classified material be included.

3. Some consideration is in order as to the appropriate addressees as well as those departments and agencies who should be indicated to receive copies of the NSAM after approval by the President. I have included on the draft, for your consideration, a suggested list of addressees as well as those to whom information copies should be forwarded.

JOHN S. WARNER  
Deputy General Counsel
